

COH Little Angels Nursery team NEEDS YOU!

Please read the below information. Printed packages available upon request.

"Steps to Becoming a Volunteer Nursery Attendant:

1. Visit <http://www.archatl.com/offices/cyp/materials/employees.htm> where you can retrieve all the information needed to process your volunteer status.
2. Once you are on the homepage of the site, look near the top of the page for the section titled, in large black letters, "Safe Environment Materials for Employees and Volunteers."
3. Right under the title, you will see the words "Jump To." Click on **Volunteer Packet**. Follow the directions under volunteer packet. There are forms to read and fill out. Right away, make sure you send in the Background Check Release and Notification form to Erica Jean-Baptiste at the parish office. You can drop it off for her or fax to: 770-482-9476.
4. You will also need to view the "You Matter" video, which can be found by going back to the homepage. Look for the section just under the "Safe Environment Materials for Employees and Volunteers." This section is called "Employee and Volunteer Materials." You will see an icon for the "You Matter" video. If the video is inoperable for viewing on the Archdiocese site, you will need to contact Erica (see info above) to attend the scheduled view time of the video at Christ our Hope.

We look forward to your joining the COH Little Angels Nursery team. Until then, take good care. God bless.

Erica Jean-Baptiste
