Random Travelling Thoughts

Ordinary Times

There is so much to concern us as we fall on our knees in prayer as there is.....

"Terror on every side!" (Jer. 20:10)

Rightly so, there is need to feel the terror of what life is unfolding before your eyes. There is the that we remember life in the tech savvy 21st century, appears to bring all the 'terror' straight to our iPhones, laptops, notebooks, cell phones, Apple watches.... There is so much within our communities, state, government and world that one may try to avoid reading, listening or even finding out what is the news. I think we need to be aware and to be prayerfully prepared, as there is only one hope we have- God

"He has rescued the life of the poor

from the power of the evildoers!" (Jer. 20: 13)

Our faith is being tested as never before, the spate of our young people losing their lives through drugs, violence and suicides it appears as if these situations are screaming at us

"All those who were friends

are on the watch for any misstep of mine." (Jer. 20:10)

It is not without the feeling of anxiety at time. Take heart and have courage.

I will be away from the reflection for three weeks as I work on developing and sharpening my spiritual base so as to continue to share and reflect on the Scriptures for the coming year.

Happy Prayerful Summer!!!
